

Hello, dear colleagues!

**Thanks for buying this template.
It's really easy to customize:**

1. Open the **"Simple Presentation"**
2. Edit text in compositions **"Scene 00-16"**
3. Place your video or pictures in compositions **"Holder 00-16"**
4. After that - render composition **"Render"**

Also you can change of design elements. To edit your scene, go to the **"Control Scene"** and **"Color Control"**

Soundtrack you can find here
